Order Administratively Closing Case upon Notice of Settlement

The parties have notified the Court that they have settled this matter. (ECF No. 8.) By **March 8, 2023**, the Plaintiff must file a notice of dismissal, under Federal Rule of Civil Procedure 41(a)(1)(A)(i), or a stipulation of dismissal, under Rule 41(a)(1)(A)(ii). The Court will administratively close this case in the meantime.

If the Plaintiff files a stipulation of dismissal under Rule 41(a)(1)(A)(ii) and the parties wish to have this Court retain jurisdiction to enforce any settlement agreement, the stipulation of dismissal must include the following sentence: "The effectiveness of this stipulation of dismissal is conditioned upon the Court's entry of an order retaining jurisdiction to enforce the terms of the parties' settlement agreement." This sentence is necessary because a stipulation of dismissal is otherwise self-executing and deprives the Court of jurisdiction to do anything further. *See Anago Franchising, Inc. v. Shaz, LLC*, 677 F.3d 1272, 1280 (11th Cir. 2012).

The Court directs the Clerk to **close** this case. Any party may move to reopen the action if there is a problem in reaching a final settlement agreement. Any pending motions are **denied** as moot.

Done and ordered at Miami, Florida, on February 8, 2023.

United States District Judge
